ALERT

OPT SOLUTIONS TO PRESENT “CLOUD STRATEGIES” AT ACCOUNTANT INFORMATION MARKET “CPE 4 CPAs” IN COLUMBUS NOVEMBER 17

(CLEVELAND) – [OPT Solutions, Inc.](#) President Laura Pettit Rusick will offer “Cloud Strategies”, a course tailored for CPAs to learn how to create efficiencies with cloud computing and harness the benefits for both their clients and their own practices. The presentation will also review risk factors associated with cloud computing.

“Cloud Strategies” is part of a one day CPE 4 CPAs offered by AIM, Accountant Information Market in Columbus, Ohio. The event provides continuing professional development and networking opportunities for CPAs in Ohio and will be hosted at TechColumbus.

For registration and more information, CPAs can contact Accountant Information Market 3805 Peak Ridge Drive, Columbus Ohio 43230 Phone: (614) 478-8187 www.accountantinformationmarket.com.
